Company Name:	Astrix Software Technology, Inc.
Doing Business As (dba):	Astrix Technology Group

Since 1995 Astrix has been delivering information technology consulting, regulatory advisory services and staffing solutions to the scientific community. We currently support DHHS, DHS and DoD missions which including the following programs: 1) management, operation and staffing of 24 laboratories (and 120+ scientific personnel) that analyze and monitor the air quality for bio-hazards in major metropolitan cities across the U.S. for the Department of Homeland Security, 2) research and develop diagnostics, therapeutics and treatments for biomedical diseases and disorders (including AIDS / HIV, Avian Flu, Universal Flu, Ebola, Marburg, and many more) for the National Institutes of Health (NIH), 3) evaluate and develop and implement Laboratory Information Management Systems (LIMS) for the Navy, and 4) much more. Additionally we provide laboratory and scientific personnel to support research and development missions to many Fortune 500 companies including: Novartis, Merck, AstraZeneca / MedImmune, Johnson & Johnson, Teva, Celgene, Amgen, Battelle, Becton Dickinson, BASF, ExxonMobil, Pepsi, MillerCoors and many mid-size and small companies too.
